

TEACHER CARD & DEPOSIT COLLECTION POLICY

The Shrewsbury Public Library offers Shrewsbury educators resources for classroom use through a special loan program designed to meet the needs of teachers and students. The Library can provide books, videos, DVDs, kits, and other library materials to support curriculum topics. Educators may request materials via phone, email, or the teacher's link on the library website. Arrangements can be made for materials to be delivered or retrieved from schools, via the Library Outreach Van.

The following guidelines apply to this service:

1. Teacher Cards are available to educators working in private or public schools in the town of Shrewsbury. (Residency is not required.)
2. If a teacher holds a personal library card in the C/W MARS network, the borrowing record must be in good standing before the teacher card will be issued.
3. If a teacher does not possess an active personal card in the C/W MARS network, then he or she will be limited to five items at their first check-out.
4. Teacher Card privileges are offered for one year, and must be renewed annually.
5. An applicant for a Teacher card must review the specifics of this policy with a library staff member, must agree to the conditions of this service and sign the attached Agreement and Registration Form.
6. Teachers will be allowed to check out a collection of books or other library items for classroom use only, for an extended period of 6 weeks.
7. The applicant assumes financial responsibility for all lost or damaged items. It is highly recommended that all items remain in the classroom.
8. No overdue fines will be accrued on Teacher Cards.
9. Items checked out for personal use may not be checked out on Teacher Cards. Please use personal library cards for borrowing items for personal use.
10. Selection of materials must be done in conjunction with library staff. The librarian will work with the teacher to provide materials suitable for the topic being studied, and make every effort to provide the scope and amount of materials requested. The Library staff will, however, place limitations on the amount of materials loaned when library resources are inadequate to serve both school and public users. We request that teachers of grades 5 and below confer with the Children's Librarian when arranging a deposit collection. Teachers of older students should speak with the Young Adult Librarian, Head of Circulation, Library Director or Assistant Director.
